West Coast Distributing Inc. & DBA WCD  
MC 250510 and MC 792749

Tariff Statement

These tariff rules apply on all loads, shipments tendered to or through West Coast Distributing Inc. and DBA WCD.

Issued by: Rick Zaffarano, SR. VP West Coast Distributing Inc., 350 Main St., Malden Ma. 02148.

The rates and rules apply when freight is tendered for transportation to West Coast and made subject to the provisions of Uniform Straight Domestic Bill of Lading or Straight Bill of Lading short form. All Rates and terms and conditions of common carriage are governed by the carrier Bill of Lading and tariff rules or written agreement, separate from the Bill of Lading, is signed by an authorized representative.

Tariff Rules:

1. No claim can exceed the limits of the provided Insurance accord.
2. No driver can sign away any terms or conditions of the load contract, set tariff or carrier BOL.
3. It is the sole responsibility of the shipper to set the proper temperatures for any load hauled by West Coast Distributing Inc. or WCD, or any of its 3<sup>rd</sup> Party carriers.
4. No temperature claims will be accepted if not notified directly at the time of receipt and verification and acknowledgment of actual temperature is made by WCD authorized representative.
5. There will not be any offset for claims for any reason.
6. Any claim for damage must be filed and acknowledged in writing 3 months of the delivery date and must be filed no later than 9 months from delivery date.
